To whom it may concern:

Red River Lumber Co. is very proud to recommend Dwayne Butler and Red Carpet Employment Agency, Inc. We have enjoyed a solid relationship for three years.

Red Carpet has provided us with quality employees for our distribution and production departments. One very important aspect of dealing with Red Carpet is their complete support when an opportunity is presented. I highly recommend Red Carpet Employment Agency, Inc.

Sincerely,

A handwritten signature in black ink that reads "Mike Craven". The signature is fluid and cursive, with the first name "Mike" being more prominent than the last name "Craven".
